CHETAK KRISHI INDUSTRIES Pvt. Ltd.

**LEADING MANUFACTURER OF QUALITY
AGRICULTURE EQUIPMENTS**

Introduction

Chetak Krishi Industries Private Limited Established In 1983 To Make The Work Of Farmers Simple And Easy By Providing Them Best Agricultural Facilities At A Very Reasonable Cost.

Initially We Started With Hand-driven And Bull-driven Agricultural Instruments But Soon A New Revolution Took Place In Agriculture Sector. Tractors Were Introduced And Its Been Used For All Types Of Agriculture Activities. Now Tractor-driven Equipments Were Required To Make The Farming Much More Efficient. Thus **Chetak Krishi Industries Private Limited** Started Producing Tractor-driven Farm Equipments.

Over The Time We Began To Manufacture All Agricultural Equipments Related To Cultivating, Ploughing, Weeding, Digging And Harvesting. Soon It Become First Choice of The Farmers

**CULTIVATING FOR LIVES IS
